REMARKS

Box PATENT APPLICATION
Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The above-captioned application is a divisional of application number 09/323,433 filed on June 1, 1999 to which priority is claimed under 35 U.S.C. 120.

The Specification has been amended as follows:

The related applications paragraph has been revised to include reference to the parent application. The Brief Description of the Figures has been amended to conform with the numbering of the figures and to insert the sequence identification numbers referenced in the Sequence Listing, as entered in the Amendment A filed in the parent application.

No new matter has been added.

Respectfully submitted,
HAMILTON, BROOK, SMITH & REYNOLDS, P.C.
